

Lull Telehandler Parts

Lull Telehandler Parts - Lull telehandlers have been supplying precision load placement ever since nineteen fifty nine. Whether the work entails positioning heavy steel, landing loads on scaffolding or transferring loads, utilizing a Lull telehandler will really help make the work go faster and easier. These units are available with the patented Stabil-Trak stability system so as to ensure operator confidence.

The horizontal placement system by Lull can provide eighty inches of boom travel for precision placement functionality. There are likewise lots of optional Lull accessories for their telehandlers in order to help complete any job.
