

## Trek Parts

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machinery. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than 60 years of experience successfully designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to providing new design concepts and top quality in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always provides fresh design concepts. They like offering items which energize both their dealers and their partners and provide production gains to their customers.

The team at TREK likes tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' requirements and skills together with their understanding of cleaning applications, along with owners' strong desire to dramatically lower cost through productivity gains.

When required, the personnel within TREK and its numerous dealer members in both parts and in technical support will be accessible. Among their core values is their high service devotion in their customer service. Keeping their customers' cleaning machines running and ready day by day is top priority. The company's top of the line technology delivers reliable machine which eventually reduces your cost of cleaning. The price, the service and the product all work together to make them the leader in the industry.
